

Own Amendment to the Government's Bill on Occupational and Social Rehabilitation and Employment of the Disabled

Current Report No. 55/2006 of December 21st 2006

With reference to Current Report No. 13/2006 of February 28th 2006, concerning announcement of a draft of "the Act Amending the Act on the Occupational and Social Rehabilitation and Employment of the Disabled and certain other acts", as well as Current Report No. 35/2006 of July 14th 2006, concerning the adoption of the above-mentioned bill by the Council of Ministers, the Management Board of Impel SA reports that the Government's own amendment to the bill has come in to the Sejm.

In line with its amendment, the Government no longer proposes changes in the current procedure of refinancing social security contributions, while at the same time it intends to uphold the change concerning the refund of contributions after they have been paid in by an employer. Having reconsidered the influence of the current amendments, the Management Board of Impel SA estimates that the level of subsidies, the Impel Group is granted for refinancing social security contributions of the employed disabled in 2007, will not be lower relative to 2006.

The Management Board of Impel S.A. will report on an ongoing basis on further legislative procedures.
